

## Black Student Survey

Q1.1 This survey is intended to help UCSB staff and faculty better understand the experience of Black students at UCSB. We are interested in your academic experience and your experience beyond the classroom, and influences in your personal and home life that may have an influence on your experience here. Your responses will be kept private, with results used only in aggregate and with identifying information removed.

We appreciate you for taking the time to provide the most complete answers you can provide. The results of this survey will help to shape UCSB for current and future students. The survey will take 30-40 minutes to complete

After completing the survey, you will have the option to receive a gift card if you choose to provide your email (after you exit the survey). Each participant who chooses to provide an email will receive a \$20 gift card for the UCSB Bookstore. In addition, you will be entered in a drawing for one of five \$50 gift cards (two given week 1, and one each week after). At the end of the survey period, there will be a final drawing for a \$500 scholarship (deposited into your BARC account).

Let's start at the beginning, when you first began to imagine yourself at UCSB...
